Denplan Essentials Maintenance Plan

Smile with greater confidence

We're delighted you're considering a dental plan that could brighten your smile and improve the health of your teeth for years to come.

Research shows that preventive dentistry delivered on a regular basis greatly reduces the risk of dental disease and provides a platform for a lifetime of improved oral health.

Denplan Essentials can help make this possible, saving you time and money. It's an easy way of keeping up the great habit of regular check-ups and hygiene treatments without worrying about unexpected bills.

The plan includes some great extras too – like discounts on routine treatment, discounts with additional healthcare providers, and the option to include peace-of-mind insurance.

Spot issues and avoid them

Denplan Essentials covers you for check-ups, dental x-rays, hygiene treatment and expert advice from your dentist. This enables your dentist to spot and avoid potentially complex dental problems before they happen.

Your dentist has your best interests at heart – and will always advise you on the best ways to keep your teeth in excellent condition.

- Denplan Essentials includes:**
- ✓ All of your routine, preventive care
 - ✓ 10% discount on routine dental treatment
 - ✓ Access to Denplan's 24/7 emergency helpline
 - ✓ Family discounts available (for multiple members on the same direct debit)
 - ✓ Savings on additional healthcare services via MyDenplan
